AVNET COMPANY PROFILE

As a leading global technology distributor and solutions provider, Avnet has served customers' evolving needs for more than a century. Through regional and specialized businesses around the world, we support customers and suppliers at every stage of the product lifecycle. We help companies adapt to change and accelerate the design and supply stages of product development. With a unique viewpoint from the center of the technology value chain, Avnet is a trusted partner that solves complex design and supply chain issues so customers can realize revenue faster.
