Avnet Embodies Ideals of a “True Partner” According to Rockwell Collins

Terms:

At its annual Supplier Conference [1] last month, Rockwell Collins presented Avnet with the 2018 Commitment Award, one of three prestigious Vision and Corporate Values awards the company annually bestows on deserving suppliers.

“Building trust every day is grounded in honoring our commitments and staying focused on the fact that lives depend on the effectiveness and reliability of our solutions to stay safe, connected and informed. This award celebrates a supplier that consistently keeps their promises and executes their work with diligent attention to detail,” according to a Rockwell Collins spokesperson. “The relationship between Avnet and RC defines what a true partner is.”

Avnet and Rockwell share a long and valued relationship. Avnet’s leadership team has been an active participant in Rockwell Collins’ Supplier Advisory Council (SAAC) for more than 10 years, and in 2015, Rockwell Collins selected Avnet as its primary distributor.
